Becker Real Estate
34 Forest Ave.
Lynbrook, NY 11563

Dear Hilary,

Kimball and I would like to take this opportunity to say how glad we were that Becker Real Estate was handling the sale of the house belonging to Mr. Vossnack. We heard about the house being for sale through a friend who received one of your flyers and was aware that we were looking for a house in that exact neighborhood. At the open house and our subsequent visits to the house, your associate Dean Miller was friendly, informative and a pleasure to deal with. Having several experiences with other realtors, it was a pleasure to deal with one who was neither pushy nor dishonest.

As you know, we had several difficult moments throughout the purchasing/closing process, which caused our family quite a bit of stress. Throughout it all, Dean seemed to be the only participant involved who actually cared about our situation. We would like to extend our thanks to him for helping out where he could.

It was a pleasure working with you and we will be sure to recommend your office to any of our friends who may be in the market for a realtor.

Sincerely yours,

Mary & Kimball Thorpe
